Newsletter March 1, 2010

I write this following a great two weeks as a proud British Columbian with the 2010 Olympics wrapped up - congratulations to all the athletes and Vancouver on a first class job well done!

We are pleased to introduce you to our newest member of the team – Rick Hackinen. With over 20 years of local experience, along with his great enthusiasm and warm personality he looks forward to having you aboard for Tight Lines & Good Fishing! For more information on our team, click on the About Us page: <http://www.coastalifishing.com/aboutus.htm>

As the economy turns around we look forward to meeting up with past friends who couldn't make it this last year and we look forward to meeting new friends and share with you a *Coastal Island Fishing Adventure!* For those of you who haven't yet booked, Chris, Eric, Rick and I would like to extend our personal invitation to come and enjoy the 2010 fishing season with us. If you have any questions or simply would like a fishing report just give us a call or email us anytime. We look forward to another great year of fishing and having you aboard to share in the excitement!
