Coastal Island Fishing Adventures is grateful to everyone who joined us this year and appreciates the effort of getting friends, family and co-workers together, to fill the boats for this summer. We hope that your efforts were rewarded with good weather and great fishing. For those of you who haven't yet booked, I would like to extend our personal invitation to come and enjoy the 2012 fishing season with us. If you have any questions or simply would like a fishing report, just give us a call or email us anytime. We look forward to another great year of fishing and having you aboard to share in the excitement!

Let's not forget that Campbell River offers a fantastic winter Chinook fishery and to top it off Prawns & Dungeness crab can be added to the trip. Just think about a fresh feed of seafood over the Christmas holidays!!

From all of us at Coastal Island Fishing Adventures we wish everyone

Merry Christmas & Happy New Year
